

24/8 Sprint Review Meeting Minutes

Attendees: Shreya, Anthony, Catherine, Jeremy, Stephanie

Absent: None

Date: 24/08/20

Agenda Items

1. General catchup and progress discussion
2. Week 6 Progress Marks requirements

Discussion Summary

- Reminder to do Unit Testing
- Week 6 progress marks are for conducting a scrum meeting during the tute, which we are all comfortable with.
- Ensure at least one person has reviewed your code before merging to development
- Update Trello as we work to make sure it is up to date
- Number user stories in Trello as currently it is confusing to look at and hard to determine which user story each card is
- Next meeting during tute on Tuesday at 14:30
