

### **13/9 Meeting Minutes**

**Attendees:** Shreya, Anthony, Jeremy, Stephanie, Catherine

**Absent:** None

**Date:** 13/09/20

### **Agenda Items**

1. Create release for Sprint 1

### **Discussion Summary**

- Jeremy is having issues with the Navbar as it needs to change once the user logs in. We decided that this was not a priority in terms of functionality for sprint 1.
- Approved unresolved pull requests and merged all feature branches into development.
- Anthony pushed code to master to create a release ready to demo on Tuesday during the prac
- Reminder to complete unit tests by next meeting
- Next Meeting Monday 8:30pm
