Attendees: Shreya, Anthony, Jeremy, Stephanie, Catherine

Absent: None

Date: 14/09/20

Agenda Items

1. Ensure everything is prepared for demonstration and progress marks in tute

Discussion Summary

- Unit tests need to be completed by tomorrow's tute, we must each be able to run them even if they don't pass.
- Aim to have all tasks for sprint 2 completed by Friday so we can deploy the project to AWS and submit in time for milestone 2.
- Ask Sachin what tool in AWS we should use to deploy the application
- Next Meeting during Practical Tuesday 2:30pm
